• All SRAR’s are reviewed and verified before an application is marked complete and ready for review.

• Applicants must not enter super scores on the application or Self-Reported Academic Record. When multiple tests exist, enter each individual test and scores.

• If an applicant has experienced multiple grading scales during high school.....use letter grades instead of numerical grades.
Important Reminder

• Students who choose to enroll at UTK must submit an official, final high school transcript and official ACT or SAT score reports by July 1, 2023

• Official transcripts and ACT or SAT score reports can be submitted electronically, by a school official, to undergradtranscripts@utk.edu
Important Reminder

• Official, final high school transcripts must include a graduation date and signature of a school official (signature not required if sent by an approved agency)

• It is recommended that students not use their school email address on their application.
