

LEA Aspiring Apprentice Recruitment Process

growyourown.tennessee.edu/lea-apprentice-recruitment-process/

STEP 1

Share the Grow Your Own Aspiring Apprentice Profile throughout the district.

STEP 2

Aspiring apprentices will receive an automated email after completing the Aspiring Apprentice Profile.

STEP 3

The district's Grow Your Own point of contact can access their district's list of interested aspiring apprentices as needed.

STEP 4

Organize and invite all interested candidates to a Grow Your Own interest meeting, possibly breaking into groups based on credit hours completed.

STEP 5

District builds a consistent selection process for selecting GYO candidates, considering the district's needs assessment.

STEP 6

Selected aspiring apprentices will follow remaining steps in the Aspiring Apprentice checklist starting with Step 2 to enroll in partnering EPP. Make sure aspiring apprentices have completed all actions in Step 1 of checklist.

STEP 7

Celebrate with a teacher apprenticeship signing day! These events honor aspiring educators as they commit to serving their school district while earning their teaching credentials, showcasing the strength of partnerships in building a strong teacher workforce across Tennessee.
