## 7. Discriminatory Practices

In addition to the Non-Discrimination statement provided in Section 5 – Non-discrimination Policy, the University uses a short EEO/AA/Non-Discrimination statement in paid advertisements to solicit applications for faculty and staff positions of employment, contracts for goods or services, purchase orders, and brochures and newsletters. The short statement reads as follows:

*The University of Tennessee is an EEO/AA/Title VI/Title IX/Section 504/ADA/ADEA institution in the provision of education and employment programs and services. All qualified applicants will receive equal consideration for employment without regard to race, color, national origin, religion, sex, pregnancy, marital status, sexual orientation, gender identity, age, physical or mental disability, or covered veteran status.*

Examples of prohibited discriminatory practices as related to Title VI include:

1. Denial of admission to The University of Tennessee on the basis of race, color, or national origin.
2. Assignment of on-campus housing or use of other facilities on the basis of race, color, or national origin.
3. Denial of academic or student support services on the basis of race, color, or national origin.
4. Denial of scholarships or other financial aid on the basis of race, color, or national origin.
5. Discrimination in hiring, employment, and working conditions on the basis of race, color, or national origin.
6. Denial of any services, or other benefits for which individuals are otherwise qualified on the basis of race, color, or national origin.

## **8. Federal Programs or Activities**

The University of Tennessee receives federal funding from numerous sources. As an institute of higher education, UT falls under the provision of 42 U.S.C. § 2000d that “no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.”

The federal funding sources, purposes of the assistance, and the dollar amount of each instance of assistance for The University of Tennessee are shown in Appendix A (Federal Programs or Activities). The University of Tennessee had 98 unique sources of Federal Funding Assistance and 2,564 instances of assistance during fiscal year 2018/2019. Many sources provide more than one instance of assistance. The total of all assistance is \$789,489,262.49.

## 9. Data Collection and Analysis

The University of Tennessee utilizes two systems to record student and employee data. For student data, each campus has a separate account with the Banner Student System. The information that follows regarding student enrollment by race and minority representation and number of degrees awarded by race and minority representation is produced using each campus' Banner system.

SAP software is used for all human resources/payroll activities and reports. The information that follows regarding Federal Work Study participation by race/ethnicity and nationality, and employees by race/ethnicity and nationality is generated using the University's SAP Enterprise system.

In addition, each federally funded program or activity is evaluated by the grant recipient in conjunction with the requirements of the grant. The evaluation data is reported directly back to the grantor, not to the campus/institute Title VI coordinator.

## **10. Limited English Proficiency (LEP)**

The University of Tennessee's procedures and plans utilize several resources to deliver LEP services. Equity and Diversity offices at each campus/institute have information about Avaza Language Services Corporation, a company that offers interpreting services. The Equity and Diversity officers make the Avaza information available to anyone at the University who is involved in the delivery of LEP services. In addition, the Avaza information has been shared with all UT Health Science Center (UTHSC) clinics and county extension offices. This information includes Avaza language cards to which a LEP person can point to identify his or her primary language. Under UTHSC supervision, all clinical supervisors know to contact the UTHSC Equity and Diversity officer if they encounter any LEP issues.

The University's Chattanooga, Knoxville and Martin campuses each have Centers for International Education. These Centers provide many services to the international community, including opportunities for cultural and language exchange between students, faculty, and other members of the university community from around the world. The Centers routinely engage international students and faculty to provide translation services or to facilitate communication with LEP individuals. The Centers are the primary resources by which UT delivers LEP services to the University community. Because of the depth and breadth of the University's ability to provide translation services, arrangements through the Centers occur on an informal, ad hoc basis, and the University has no means of tracking the frequency with which LEP services are provided through the Centers or the native languages that are spoken by the individuals requesting LEP services.

The University's campuses in Knoxville, Chattanooga, and Martin each have academic departments of foreign languages. These departments have faculty members who are fluent in many languages. The faculty members also provide ad hoc LEP services within the University community and are available to the Equity and Diversity offices if needed.

The University of Tennessee encountered LEP requests for 26 distinct languages during fiscal year 2018-2019, with some of the distinct languages being encountered by more than one campus/institute. The chart below outlines the system-wide statistics of LEP requests for the past fiscal year.

The University has translated into Spanish its (1) Title VI brochure, (2) E-verify poster, (3) Right to Work poster, (4) Complaint Procedures at UTC, and a (5) Study in US Program letter. When translation of other documents is needed, the University will request that the document be translated into the requested language by either an internal bilingual staff member or by Avaza. Original documents being submitted for translation will be in final, approved form.

The University believes that its delivery of LEP services is thorough and effective. The University's primary points of contact with the general public are its clinics and its extension offices. The University will continue to ensure that it makes those clinics and offices aware of the University's LEP services, including the availability of Avaza's services.

The University's LEP policy and procedures may be found on the following pages.

## ***Limited English Proficiency Compliance***

The University of Tennessee seeks to fulfill its responsibility under Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d et seq. to provide meaningful access to programs and activities by persons with Limited English Proficiency (LEP). The University of Tennessee is a complex organization with four campuses, multiple institutes, and many additional services, including an agricultural extension service that provides programming in all 95 counties of the state. As a result, reasonable steps to ensure meaningful access to programs and activities by LEP persons vary wide according to the specific circumstances.

The most basic activities of the University of Tennessee are to provide educational service to its students and to support teaching and research by its faculty. The University evaluates the English language proficiency of its students and teaching faculty and provides various forms of assistance depending upon each fact-dependent circumstance. In some situations, students who need assistance in written English may be placed in special writing classes. In other instances, a student's studies may be delayed while they attend intensive English language programs. Certain offices may offer special training to assist faculty whose first language is not English. The University makes many of its written communications, especially posters concerning the rights of employees under Title VI, available in English and Spanish.

The University delivers services directly to the public primarily through its clinics and agricultural extension offices. Those offices provide, without cost, the following services:

### **1. IDENTIFYING LEP PERSONS AND THEIR LANGUAGE**

The University will promptly identify the language and communication needs of the LEP person. If necessary, staff will use the language identification card provided by Avaza language services to determine the language. In addition, when records are kept of past interactions with individuals or their family members, the language used to communicate with the LEP person will be included as part of the record.

### **2. OBTAINING A QUALIFIED INTERPRETER**

Supervisors over clinics and extension offices across the state have been informed to contact their Title VI coordinator if the need arises for language translation services. They have been supplied with the Avaza language identification card. Moreover, they have been asked to notify their Title VI coordinator, who is responsible for:

- (a) Maintaining an accurate and current list showing the name, language, phone number and hours of availability of bilingual staff;
- (b) If a bilingual staff member is available from the University's foreign language departments, that staff member will be asked to assist in verbal or written communications, depending on the circumstances;

- (c) If a bilingual staff member is not available, the Title VI coordinator will contact Avaza and arrange for language translation services. Some LEP persons may prefer or request to use a family member or friend as an interpreter. However, family members or friends of the LEP person will not be used as interpreters unless specifically requested by that individual and after the LEP person has understood that an offer of an interpreter at no charge to the person has been made by the department or agency. Such an offer and the response will be documented in the person's file. If the LEP person chooses to use a family member or friend as an interpreter, issues of competency of interpretation, confidentiality, privacy, and conflict of interest will be considered. If the family member or friend is not competent or appropriate for any of these reasons, competent interpreter services will be provided to the LEP person.

Children (e.g. persons under the age of 18) will not be used to interpret, in order to ensure confidentiality of information and accurate communication.

### **3. PROVIDING WRITTEN TRANSLATIONS**

The University makes its Title VI brochure available in Spanish. When translation of other documents is needed, the University will request that the document be translated into the requested language by either an internal bilingual staff member or by Avaza. Original documents being submitted for translation will be in final, approved form.

### **4. MONITORING LANGUAGE NEEDS AND IMPLEMENTATION**

The University continues to assess the need for providing more formal LEP assistance to the general public. In addition, the University will continue to evaluate its procedures for securing outside interpreter services, complaints filed by LEP persons, and feedback from the public and University community.

Individuals who believe they have not been provided meaningful access under Title VI may file a complaint with the campus Title VI officer. Retaliation of any kind against a person who has filed a complaint is prohibited.

## 11. Complaint Procedures

Each campus, plus the Space Institute in Tullahoma, has a Title VI Coordinator who is responsible for Title VI discrimination complaints and investigations. The Knoxville campus coordinator also serves as the coordinator for the Institute for Public Service, the Institute of Agriculture, and the UT System Administration.

Complaints of discrimination should be directed to the campus/institute Office of Equity and Diversity. A sample complaint form is provided in Appendix C. Use of the form is not required. No matter the format of the written complaint, it must include: (1) the name of the complainant; (2) an explanation of the action or conduct complained of; and (3) the person or department responsible for the action. Each of the campus' complaint process is provided below.

### Chattanooga

In keeping with those values, the policies of UT Chattanooga and its UT Area Units expressly prohibit the following:

- discrimination against employees, students, or applicants for employment or admission, on the basis of race, color, religion, sex (including sexual harassment, sexual orientation, gender identity, marital status, parental status), national origin, age, disability, or protected veteran status;
- discrimination against other participants in educational programs and activities (which includes certain individuals who are not employees, students, or applicants for employment or admission) on the basis of race, color, national origin, sex, or disability; and
- retaliation against any person who in good faith reports a practice that he/she believes violates non-discrimination policies.
- 

If you are an employee, student, applicant for employment, applicant for admission, or are otherwise a participant in a UT Chattanooga program or activity, and you believe you have been discriminated against in violation of the policies outlined above, the process below is designed to help you resolve your complaint.

#### Where and When to File a Complaint

Complaints of discrimination should be directed to the UT Chattanooga Office of Equity and Inclusion, 720 McCallie Avenue, Second Floor, Dept. 5455, 615 McCallie Avenue, Chattanooga, Tennessee 37403-2598, Telephone (423) 425-5670. **Complaints must be in writing and filed within 300 days of the alleged discriminatory action.** In certain circumstances, at the discretion of the Diversity Officer, complaints filed outside that time limit, or not submitted in writing, may be investigated.

Employees and students are encouraged to attempt to resolve a complaint through the administrative structure of the employment unit or academic department. The Director of Equity and Inclusion will provide assistance to the complainant, employment unit, and/or academic department in order to resolve the complaint. **Supervisors and other administrators who become aware of unlawful discrimination or harassment must take immediate and appropriate action to stop such practices or behaviors and prevent their recurrence.** It is the responsibility of the administrator who receives a complaint or becomes aware of the existence of unlawful discrimination or harassment, to contact the Director of Equity and Inclusion to seek counsel regarding appropriate action.

- Complaints received directly to the Director of Equity and Inclusion will be reported by the director to the appropriate administrator(s), who will attempt to resolve the matter working in conjunction with the Director of Equity and Inclusion. Confidentiality will be maintained to **the extent possible**.
- If the complaint is not resolved through the methods described above, the Director of Equity and Inclusion may use the following:
  - Complaints should be submitted in writing to the Director of Equity and Inclusion. The complaint must include (1) the name of the complainant, (2) an explanation of the action or conduct complained of, and (3) the person or department responsible for the action. The complainant should include the resolution sought by the complainant. The head of the responding unit or academic department and the party against whom the complaint has been lodged (respondent) will be notified of the complaint.
  - The Office of Equity and Inclusion will conduct an investigation, the nature and scope of which will be determined by the Director of Equity and Inclusion on a case-by-case basis. The investigation may include any or all of the following, as well as such other action as the Director of Equity and Inclusion deems appropriate: interviewing the complainant, interviewing the respondent, interviewing witnesses, submitting questions to or taking statements from parties or witnesses, reviewing documents, and/or setting up an investigative committee.
  - If an investigative committee is deemed appropriate, the relevant chancellor/vice chancellor/vice president or the president (in the event that the complaint is made against a chancellor/vice chancellor/vice president) will be asked by the Director of Equity and Inclusion to appoint the members of such a committee. The Director of Equity and Inclusion may assist the appropriate administrator in appointing committee members.
  - The investigative committee, or the Director of Equity and Inclusion if there is no investigative committee, will make findings of fact and will determine whether sufficient evidence exists to support a charge of discrimination. Those findings, together with a statement outlining the basis for them, will be transmitted by the Director of Equity and Inclusion to the appropriate administrator. A copy will also be available to the complainant.
  - The appropriate vice chancellor or the chancellor will review the findings, make a determination, and notify the complainant in writing. Within 15 workdays after receipt of that decision, complainants who are in staff nonexempt positions may pursue a grievance under UTC Personnel Policy and Procedure, contained in the UTC Policy and Procedures Manual, if they are not satisfied with the determination.
  - If the complainant is not satisfied with the determination and is not eligible to or has not elected to file a grievance, the complainant may appeal in writing within 15 workdays after receipt of the decision to the next higher administrative level. The decision on the appeal will be provided in writing to the complainant. Decisions by the chancellor/vice chancellor/vice president may be appealed to the president.

## **Health Science Center (Memphis)**

### **UNIVERSITY OF TENNESSEE HEALTH SCIENCE CENTER DISCRIMINATION COMPLAINT PROCEDURE**

Any UTHSC employee, student, applicant for admission or employment, or other participant in UTHSC programs or activities, who believes that he or she has been discriminated against on the basis of race, color, sex (including sexual harassment, sexual assault, and sexual violence), sexual orientation, gender identity, pregnancy, marital status, parental status, religion, national origin, age, disability or veteran status is encouraged to use the procedures outlined below for the resolution of his or her complaint. University policy prohibits retaliation against any person who in good faith opposes a practice which he or she believes to be discriminatory or who participates in an investigation of a complaint. Complaints of discrimination should be directed to the Office of Equity and Diversity (OED), 910 Madison Avenue, Suite 826, Memphis, Tennessee 38163 (telephone: **901-448-2112** [voice], **901-448-7382** [TTY]). Complaints alleging discrimination must be put in writing and signed and filed within 300 days.

A complainant may also have the ability to file complaints with external agencies such as the Equal Employment Opportunity Commission (EEOC), the Tennessee Human Rights Commission (THRC), the Office for Civil rights (OCR), and the courts.

- ✓ Please note that the deadlines for filing with external agencies or courts may be shorter than the deadline established for filing a complaint under this Procedure.
- ✓ Examples of shorter deadlines include, but are not limited to 180 days to file a complaint under Title VI & Title IX, as well as 300 days to file a complaint under Title VII.
- ✓ The Tennessee Human Rights Commission (THRC) may investigate allegations of noncompliance with Title VI. If THRC refers a complaint to the University for investigation and resolution, OED will coordinate with the Office of the General Counsel to notify THRC of the commencement of an investigation within ten (10) days of the date of referral. Before OED notifies the complainant about the resolution of a complaint, OED will coordinate with the Office of the General Counsel to submit a summary of the investigation to THRC.

A complaining party may select whether to pursue an Informal or Formal complaint. A complainant may choose to first file an Informal complaint (i.e., excluding sexual assault). If, however, the parties are unable to reach a mutually acceptable resolution of the Informal complaint, a complainant may then file a Formal complaint. Additionally, a complainant may during the Informal complaint process choose to file a Formal complaint instead.

In certain circumstances, at the discretion of OED, complaints filed outside of referenced time limits or that are not put in writing and signed may be investigated.

1. Employees and students are encouraged, but not required, to attempt to resolve a complaint through the administrative structure of the employment unit or academic department. OED will provide assistance to the complainant, employment unit, and/or academic department in order to resolve the complaint.
2. Complaints (other than those involving sexual assault) received directly by OED will be reported by the Assistant Vice Chancellor (or the Assistant Vice Chancellor's designee) to the appropriate administrator(s), who will attempt to resolve the matter working in conjunction with OED. Confidentiality will be maintained to the extent possible.

3. If the complaint is not resolved through the methods described above, OED may use the following:
  - a. Complaints should be submitted in writing to OED. The complaint must include (1) the name of the complainant; (2) an explanation of the action or conduct complained of; and (3) the person or department responsible for the complained of action. The complaint should include the resolution sought by the complainant. The complaint may identify witnesses and other evidence the complainant wants OED to consider in its investigation. The party against whom the complaint has been lodged (respondent) and the appropriate administrator with supervisory responsibility will be notified of the complaint.
  - b. OED will conduct an investigation, the nature and scope of which will be determined by OED on a case-by-case basis. The investigation may include any or all of the following, as well as such other action as OED deems appropriate: interviewing the complainant; interviewing the respondent; interviewing witnesses; submitting questions to or taking statements from parties or witnesses; and reviewing documents.
  - c. OED will make findings and recommendations. Those findings and recommendations, together with a statement outlining the basis for them, will be transmitted by OED to the appropriate administrator within forty (45) calendar days of receipt of a complaint. A copy will also be sent to the complainant and respondent.
  - d. The appropriate administrator(s) will review OED's findings and recommendations, make a determination, and notify the complainant and respondent of the determination in writing within fifteen (15) calendar days of the receipt of OED's findings and recommendations.
  - e. When the complainant is a student, OED will make a good faith effort to conclude the investigation and resolution of a complaint (i.e., steps 3(b) through 3(d)) within sixty (60) calendar days of the date the receipt of the complaint by OED. If the investigation and resolution of a complaint cannot be completed within that time period, then OED will contact the complainant and respondent and provide an estimated time frame in which the investigation and resolution of a complaint will be completed.
  - f. Appeals
    - (i) Employees: A complainant or respondent who is an employee who is not satisfied with the determination described in Section 3(d) may appeal in accordance with applicable University policies and procedures, including Human Resources Policy 0525, Human Resources Policy 0640, and the UTHSC Faculty Handbook.
    - (ii) Students: Within seven (7) calendar days after receipt of the determination described in Section 3(d), a complainant or respondent who is a student and who is not satisfied with the determination may appeal in writing to the next higher administrative level. The University will inform the complainant and respondent in writing of the person to whom an appeal may be made. Any administrator who receives an appeal shall make a decision on the appeal within ten (10) calendar days of the administrator's receipt of the appeal. Decisions on appeals shall be provided in writing to the complainant and respondent.

The time limits above are subject to modification on a case-by-case basis due to operational requirements, travel away from campus, in-depth investigations, or other issues that complicate the process or require additional time to reach a thorough and fair resolution of the matter.

The University will take steps to prevent the recurrence of any prohibited discrimination and to correct any discriminatory effects on the complainant and others, if appropriate.

An individual who is subjected to retaliation (e.g., threats, intimidation, reprisals, or adverse employment or educational actions) because he or she (a) made a report of discrimination in good faith, (b) assisted someone with a report of discrimination, or (c) participated in any manner in an investigation or resolution of a report of discrimination, may make a complaint of retaliation under these procedures.

## **12. Title VI Training**

In April 2019, The University of Tennessee introduced its online Title VI training (see Appendix D) to all campuses and institutes. The Title VI training provides a voice-over so those who have sight impairments can hear the training. The training does not include a test or quiz.

Initial emails were sent to all regular employees urging them to take the regulatory training. As new employees were hired, they were assigned to the training and emailed a notification with a link to the training. Reminder emails were sent at scheduled intervals to individuals who had not taken the training.

On June 30, 2019, The University of Tennessee employed 12,470 regular faculty and staff. From April 3, 2019 – June 30, 2019, 10,665 employees took the Title VI online training (85.5%). The University had 148 subrecipients during FY 2019. Subrecipients are responsible for their own Title VI training as part of their receipt of federal funds. The University annually surveys all subrecipients for compliance with Title VI regulations, including training.

Participant data information for the online training is located below. The University of Tennessee currently has the Title VI training available to all employees. A concentrated plan of emails and notifications to take the annual Title VI training will begin in March 2020.

### 13. Subrecipient Monitoring

The University of Tennessee has extensive policies and procedures for the monitoring of its subrecipients. As part of the procedures, the University of Tennessee has developed a Subrecipient Monitoring Plan, depending on the perceived riskiness of the subrecipient. The Plan includes reviewing Uniform Guidance audit reports and a review of invoices for a lower-risk entity up to performing a site visit or desk audit for a higher-risk entity. In addition, the subrecipient must submit a completed Title VI survey before the university will execute a subaward.

The University of Tennessee's standard contract term and conditions include an anti-discrimination clause. The following is the contractual provision prohibiting discrimination used by the University of Tennessee. All subrecipients, contractors and/or vendors must agree to the statement.

*No person on the grounds of disability, age, race, color, religion, sex, national origin, veteran status or any other classification protected by Federal and/or Tennessee State constitutional and/or statutory law shall be excluded from participation in, or be denied benefits of, or be otherwise subjected to discrimination in the performance of this Contract. The Contractor shall, upon request, show proof of such nondiscrimination, and shall post in conspicuous places, available to all employees and applicants, notice of non-discrimination.*

#### Pre-award Procedures

Each entity that receives a sub-contract that contains Federal funds must agree to comply with the requirements of Title VI in regard to the provision of educational programs and services. The University of Tennessee requests each subrecipient to complete and return a Subrecipient Profile Questionnaire which is reviewed by the Office of Sponsored Programs. In addition, they must sign an assurance statement that they will comply with the requirements of Title VI. By completing the questionnaire and signing an Assurance of Title VI Compliance, the subrecipient has met the pre-award criteria. A copy of the questionnaire and assurance statement are included at the end of the Subrecipient Monitoring section.

The University of Tennessee's subrecipients are also direct recipients of federal funds, and therefore have pre-existing Title VI compliance obligations. The assurance statement and questionnaire methods have been adopted to ensure compliance of all Title VI requirements, including training, of the University's subrecipients; therefore, no on-site reviews are conducted.

The University of Tennessee awarded 135 new subawards to 89 unique entities during July 1, 2018 – June 30, 2019. Each of the pre-assessment questionnaires and assurance statements were reviewed by the university's Controller's Office.

### Post-award Procedures

In conjunction with the Office of Management and Budget (OMB) Uniform Guidance on Subrecipient Monitoring, the University of Tennessee annually surveys subrecipients for compliance with Title VI regulations (a copy of the survey is included at the end of the Subrecipient Monitoring section). In addition, the subrecipient must also re-certify through signing a new assurance statement to confirm the agency's ongoing compliance with the requirements of Title VI. The annual surveys are collected, reviewed and retained by the University's Controller's Office. The surveys for the subrecipients listed in Appendix E (Subrecipients) were reviewed during the fiscal year, July 1, 2018 – June 30, 2019.

### Subrecipient Title VI Training

The University's subrecipients are covered under their own Title VI regulations and are required to comply with the provisions of the law such as Title VI training. As a result, the University does not hold its subrecipients to additional training requirements.

### Procedures for Noncompliance

If any of the subrecipient survey responses indicate a deficiency, the University of Tennessee will request additional documentation of compliance from the subrecipient. If a subrecipient fails to answer any part of the survey, the University will follow-up with the subrecipient. Any questions which concern compliance deficiencies or action to be taken by the University will be forwarded to an ad-hoc Title VI Advisory Committee for review and disposition. The committee will include, but not be limited to, the appropriate campus Title VI Coordinator and a representative from the Treasurer/Controller Office, Human Resources, and the Office of Academic Affairs. The committee will be advised by the Office of the General Counsel.

Any subrecipient who is found not to be in compliance with Title VI will receive written notification from the University of Tennessee that the University will suspend, terminate, or reject future contracts with the entity.

No subrecipients were found to be out of Title VI compliance between July 1, 2018 and June 30, 2019.

### Identify Subrecipients

During fiscal year 2018-2019, the University of Tennessee had 148 active subrecipients. The total of all of the subrecipient contracts equaled \$38,221,815.79. Appendix E (Subrecipients) provides a list of each subrecipient which includes the begin and end dates of each contract, the dollar amount of the entire contract, the location of the subrecipient, whether the contract is paid by federal, state, or hybrid type of funding, the MWBE designation, the description of the award, and whether the contract was competitive or non-competitive.

During fiscal year 2018-2019, the University of Tennessee had 1402 unique, active vendors. The total of all vendor contracts equaled \$494,482,943.41. Appendix F (Vendors) provides a list of each vendor which includes the vendor name, begin and end dates of the contract, the dollar amount of the entire contract, the location of the vendor, whether the contract is paid by federal, state, or hybrid type of funding, the MWBE designation of the entity, the description of services provided, and whether the contract was competitive or non-competitive.

## 14. Public Notice and Outreach

The University of Tennessee utilizes its System Equity and Diversity website (<http://www.tennessee.edu/system/equity/>) to disseminate the Title VI Implementation Plan. The UT Diversity Statement is also found on the Equity and Diversity website. Available programs and services are published on each campus' website. Since each campus/institute has a named Title VI coordinator, each campus/institute includes its complaint procedures on its Equity and Diversity website. Through student and employee recruitment activities, eligible persons who have been historically deprived of equal opportunity are encouraged to participate in the University's educational programs. The University of Tennessee's subrecipients disseminate their information in a like-wise fashion.

### Boards and Advisory Bodies

The University of Tennessee has four planning boards or advisory bodies. Each group has a website with information about the group, including a list of members. Each group will be discussed below with demographic information provided at the end of the Boards and Advisory Bodies section.

#### **UT Board of Trustees**

**(<http://trustees.tennessee.edu>)**

The Board of Trustees (BOT) is the governing body of The University of Tennessee, overseeing the educational and operational activities of the statewide University system. The 12-member board is comprised of one (1) ex officio member, who is the Commissioner of Agriculture for the State of Tennessee, 10 members appointed by the Governor of Tennessee, and one (1) non-voting student member appointed by the Board. (Source: UT Board of Trustees website: <https://trustees.tennesseesee.edu/about> ). According to Article I of the Board of Trustees Bylaws, "As the governing body of The University of Tennessee, the Board of Trustees has full authority and control over the University's organization and administration, constituent part, and funds. The Board has all powers granted by acts of the General Assembly of the State of Tennessee, including but not limited to those codified in Tennessee Code Annotated § 49-9-202, and all implied power necessary, proper, or convenient for the accomplishment of the mission of the University and the responsibilities of the Board." In addition to the Board of Trustees, the Knoxville, Chattanooga, Martin campuses and the Health Science Center in Memphis have advisory boards consisting of seven members (five appointed by the governor, plus one student and one faculty member).

#### **Compensation Advisory Board**

**(<http://hr.tennessee.edu/pay/cab>)**

UT's Compensation Advisory Board (CAB) is an internal board that was launched in March 2010 to help guide the University's compensation philosophy, structure and programs. The 21-member board serves in an advisory capacity to the President of the University of Tennessee

and includes administrators, faculty, and staff from each campus and institute. Appointments to CAB are made by the President.

### Diversity Advisory Council

(<http://tennessee.edu/static/equity/council/index.html>)

The Diversity Advisory Council (DAC) is an internal board that was launched in January 2010 and is charged with advising the University of Tennessee President on matters pertaining to: (1) how to be more effective and efficient in the recruitment, retention and graduation of a more diverse student population; (2) recruiting and retaining a more diverse faculty and staff; and (3) development and implementation of performance measurements for the purpose of accountability and other matters relating to diversity. Appointments to DAC are made by the President.

### Employee Relations Advisory Board

(<http://hr.tennessee.edu/get-involved/committees-councils/employee-relations-advisory-board/>)

The Employee Relations Advisory Board (ERAB) is an internal board that exists at the UT System level to serve as an advisory group to the President of the University of Tennessee with respect to university policies, programs, and practices. The board members are representatives from each campus and institute who are elected by their peer campus/institute Employee Relations Committee members. The ERAB meets quarterly to discuss employee issues with, and make recommendations to, the University's senior leaders.

The campuses with Employee Relations Committees (ERC) will be encouraged to promote the importance of serving not only on the ERC, but on the ERAB as well.

### Documentation of Minority Input

As a public entity, The University of Tennessee welcomes input from all State of Tennessee citizens and UT alumni. One of the most popular options available is **UTALK**, our online e-form means of communication. Individuals may submit their comments/questions/suggestions through **UTALK**. After submitting the e-form, the information is recorded and the individual will receive a reply, if the contact information was provided by the individual. The e-form provides a field for the individual to include his/her name, but it is not required to protect the individual's right to privacy. There are no plans to make the name a required field nor to include any race/ethnicity questions so individuals will not fear being able to be identified.

For certain senior-level vacancies, a minority representative is included on the search committee. Input is documented according to the University's guidelines on conducting and recording search materials for senior-level positions. Exempt applicant pools must be reviewed and approved by our Equity & Diversity offices.

The University of Tennessee lists its purchasing policies and procedures for contractors on the Purchasing Office's website (<http://purchasing.tennessee.edu/default.html>). In addition, requests for bids are always sent to the local Urban League, the Tennessee Minority Purchasing Council, and the Black Business Contractors.

## 15. Compliance Reporting

In addition to its submission to the Tennessee Human Rights Commission (THRC), The University of Tennessee submits, upon request, its Title VI Implementation Plan to the Division of State Audit. Other state and federal agencies who have requested and received the Title VI Implementation Plan include:

- State of Tennessee Department of Commerce and Insurance
- Tennessee Council of Developmental Disabilities
- Tennessee Department of Transportation
- U.S. Department of Agriculture

The University of Tennessee posts its Title VI Implementation Plan on its System Equity & Diversity website.

The University of Tennessee also supplies, upon request, “Assurances of Compliance” to every state or federal agency with whom the University has a grant or collaboration.

The University of Tennessee received one finding from its 2017-2018 Implementation Plan for noncompliance within the Complaint Procedures section. Please see below for details and corrective action measures the university has taken.

1. **Complaint Procedures** –*The University of Tennessee received one or more Title VI complaints during the last fiscal year which were not forwarded to the Tennessee Human Rights Commission according to state administrative regulation Rule 1500-01-03-06.*
  - The University of Tennessee retrained its Equity and Diversity officers about their responsibilities under this rule. To the university’s knowledge, the information contained in this Implementation Plan fulfills its obligation under this regulatory section.

## 16. Evaluation Procedures

As part of The University of Tennessee's System Strategic Plan, we annually track several key components: (1) Enhancing Educational Excellence; (2) Expanding Research Capabilities; (3) Fostering Outreach and Engagement; (4) Ensuring Workforce and Administrative Excellence; and (5) Advocating for the UT System. In June 2018, a diversity piece was added to each component. Reported items include (1) the number of participants in the Institute of Public Service's programs, (2) student enrollment, retention and graduation, (3) faculty and staff demographics, and (4) research dollar expenditures. Federal student assistance programs, as well as other federally funded programs and activities, are monitored and evaluated by the federal agency controlling the funding.

After data is collected, the University's System Institutional Research Office performs a five-year trending analysis. Metrics as well as trending and analysis are recorded as part of the University's Strategic Plan Dashboard (<http://president.tennessee.edu/static/strategicplan/dashboard/index.html>). Updates to the strategic plan and corresponding metrics are presented to the University's Board of Trustees annually.

When the Diversity Advisory Council (DAC) was established in January 2010, its charge was to "determine how to become more effective and efficient in advancing diversity across the University of Tennessee System." Five subcommittees: (1) Framework Philosophy and Rationale; (2) Institutional Planning and Implementation; (3) Diversity Reporting and Accountability; (4) Diversity Infrastructure and Coordination; and (5) Faculty and Staff Diversification Strategies, work together to report and bring recommendations to the Board of Trustees. Dr. Tonja Johnson, Executive Vice President and Chief Operating Officer is the DAC chair. Dr. Johnson presents an update of the activities of DAC to the Board of Trustees.

The campus and institute Equity and Diversity Officers meet quarterly. In addition to updates and training, the officers discuss and evaluate the University's non-discrimination efforts and compliance, including Title VI compliance.

The University of Tennessee did not receive any notification of Title VI Compliance deficiencies.

# YOUR RIGHTS UNDER TITLE VI OF THE CIVIL RIGHTS ACT OF 1964

## YOUR RIGHTS UNDER TITLE VI OF THE CIVIL RIGHTS ACT OF 1964

"No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance."

### **WHAT IS TITLE VI?**

Title VI of the Civil Rights Act of 1964 is the federal law that protects individuals from discrimination on the basis of their race, color, or national origin in programs that receive federal financial assistance.

### **WHAT PROGRAMS ARE COVERED BY TITLE VI?**

Approximately 30 federal agencies provide federal financial assistance in the form of funds, training, technical, and other assistance to state and local governments, and nonprofit and private organizations. These recipients of federal assistance, in turn, operate programs and deliver benefits and services to individuals (known as "beneficiaries") to achieve the goals of the federal legislation that authorizes the programs.

Federally assisted programs address such broad and diverse areas as

- Elementary, secondary, and higher education
- Health care, social services, and public welfare
- Public transportation
- Parks and recreation
- Natural resources and the environment
- Employment and job training
- Housing and community development
- Law enforcement and the administration of justice
- Agriculture and nutrition

### **WHAT DISCRIMINATION IS PROHIBITED BY TITLE VI?**

There are many forms of illegal discrimination based on race, color, or national origin that can limit the opportunity

of minorities to gain equal access to services and programs. Among other things, in operating a federally assisted program, a recipient cannot do the following, on the basis of race, color, or national origin, either directly or through contractual means:

- Deny programs services, aids, or benefits;
- Provide a different service, aid, or benefit, or provide them in a manner different than they are provided to others; or
- Segregate or separately treat individuals in any matter related to the receipt of any service, aid, or benefit.

#### **HOW CAN I FILE A DISCRIMINATION COMPLAINT?**

Each agency that receives or provides federal financial assistance is responsible for investigating complaints of discrimination on the basis of race, color, or national origin in the use of its funds. If you believe that you or others protected by Title VI have been discriminated against, you should file a complaint with the University of Tennessee campus or unit that provides funds for the program where you believe the discrimination occurred.

Each UT campus and unit has a complaint procedure and a Title VI Coordinator responsible for investigating all Title VI complaints. Please contact the Title VI Coordinator (located to the right) as appropriate for your location.

A signed, written complaint should be filed with the University of Tennessee generally within 300 days of the date of the alleged discrimination. A written complaint should include the following:

- Your name, address, telephone number, and signature.
- The name and address of the program or department you believe discriminated against you.
- How, why, and when you believe you were discriminated against, and the names of those involved, if known. Include as much background

information as possible about the alleged acts of discrimination.

- The names of any persons that the coordinator could contact for additional information to support or clarify your allegations.

**WHAT WILL THE UNIVERSITY OF TENNESSEE DO WITH MY COMPLAINT?**

Once a complaint is filed, it will be reviewed by the Title VI Coordinator to determine if the issues you have raised are valid under Title VI. The procedures of each campus/unit may differ slightly, but the Title VI Coordinator generally will investigate your allegations and attempt to resolve any violations found.

**WHAT IF THE RECIPIENT RETALIATES AGAINST ME FOR ASSERTING MY RIGHTS OR FILING A COMPLAINT?**

You should be aware that a recipient, including the University of Tennessee, is prohibited from retaliating against you or any person because he or she opposed an unlawful policy or practice, or made charges, testified, or participated in any complaint action under Title VI. If you believe that you have been retaliated against, you should immediately contact your campus/unit Title VI

## SUS DERECHOS BAJO EL TÍTULO VI DE LA LEY DE DERECHOS CIVILES DE 1964

"Ninguna persona que se encuentre en los Estados Unidos deberá ser excluida de ningún programa o actividad apoyada por fondos federales debido a su raza, color o nacionalidad. No se le negará su participación en dichos programas o actividades, ni los beneficios correspondientes por participar en ellos, tampoco se le discriminará."

### ¿QUÉ ES EL TÍTULO SEXTO?

El Título Sexto de los Derechos Civiles de 1964 es una ley federal que ampara al individuo contra la discriminación basada en raza, color o nacionalidad en programas que reciban ayuda federal financiera.

### ¿QUÉ PROGRAMAS ABARCA EL TÍTULO SEXTO?

Aproximadamente, 30 agencias federales proveen de ayuda financiera federal, en forma de fondos, entrenamiento técnico y otros tipos de asistencia a gobiernos estatales y locales, así como organismos no-lucrativos y privados. Estos recipientes de ayuda federal, a su vez, mantienen programas y proveen beneficios y servicios a los individuos (conocidos como "beneficiarios") a fin de llevar a cabo y alcanzar las metas propuestas por la ley federal.

Los programas que se benefician de asistencia federal abarcan un amplio y diverso campo, por ejemplo:

- educación elemental, secundaria y universitaria
- salud, servicios sociales y de bienestar público
- transporte público
- parques y recreación
- recursos naturales y medio ambiente
- empleo y capacitación para empleos
- vivienda y desarrollo de la comunidad
- aplicación de la ley y administración de justicia
- agricultura y nutrición

### ¿QUÉ FORMAS DE DISCRIMINACIÓN PROHIBE EL TÍTULO SEXTO?

Existen diferentes formas de discriminación basadas en criterios de raza, color u origen nacional que pueden limitar

las oportunidades para que los grupos minoritarios tengan igualdad de derechos y acceso a servicios y programas.

Un recipiente de fondos federales no debe, en base a raza, color u origen nacional, directamente o a través de contratos:

- negar servicios, ayuda o beneficios
- ofrecer servicios, ayuda o beneficios distintos a los que se ofrecen a todos los demás
- segregar o tratar separadamente a un grupo de individuos que reciban servicios, asistencia o beneficios.

#### ¿CÓMO SOMETO UNA QUEJA DE DISCRIMINACIÓN?

Las agencias que reciben o proveen fondos federales se encargan de investigar las quejas de discriminación en el uso de sus fondos, basadas en raza, color u origen nacional. Si Ud. o algún conocido ha sido discriminado/a someta una queja en contra de la universidad o facultad responsable.

En cada centro universitario existen procedimientos para la sumisión de quejas, y existe un Coordinador/a del Título Sexto responsable de investigar casos de discriminación.

Contacte al coordinador correspondiente a su ubicación (ver columna izquierda):

Ud. dispone de 300 días, desde la fecha en que fue discriminado/a, para someter su queja por escrito y firmada.

Su queja firmada debería incluir:

- Su nombre, dirección, número de teléfono y su firma.
- El nombre y dirección del programa o facultad que le haya discriminado.
- La razón, manera y hora en que sucedió la discriminación, además del nombre de las personas involucradas, si lo sabe. Incluya toda la información que disponga con respecto a su queja.
- Nombres de personas que le puedan ser útiles al Coordinador a fin de investigar su caso.

Cada centro universitario dispone de procedimientos que varían un poco entre sí, pero el Coordinador del Título Sexto, por lo general, investigará su queja e intentará resolver cualquier caso de abuso.

### **¿QUÉ SUCEDERÍA SI EL RECIPIENTE DECIDIERA TOMAR REPRESALIAS CONTRA MÍ POR EJERCER MI DERECHO DE SOMETER UNA QUEJA?**

Ud. debe saber que quien es reportado en la queja incluyendo a La Universidad de Tennessee, tiene prohibido tomar represalias contra usted o cualquier persona porque ésta se oponga a una práctica ilegal, se queje o presente una demanda bajo el amparo del Título Sexto u ofrezca testimonio. Si Ud. cree que se han tomado represalias contra Ud. contacte inmediatamente al coordinador de su centro universitario, a fin de que conduzca una investigación.

Si usted es un empleado, estudiante, solicitante de empleo, solicitante de admisión, o es un participante en un programa o actividad de UT Chattanooga y cree que ha sido discriminado en violación de las pólizas descritas anteriormente, el proceso siguiente está diseñado para ayudarle a resolver su queja.

## Dónde y cuándo presentar una queja

Las quejas de discriminación deben ser dirigidas a la Oficina de la Equidad e Inclusión (OEI) de UT Chattanooga, 720 Avenida McCallie, Segundo Piso, Departamento 5455, 615 Avenida McCallie, Chattanooga, Tennessee 37403-2598, teléfono 1+(423) 425-5670. Las quejas deben ser presentadas en forma escrita y dentro de 300 días de la supuesta acción discriminatoria. En ciertas circunstancias, a la discreción de OEI, se pueden investigar quejas presentadas fuera de ese límite de tiempo o que no se hayan presentado en forma escrita.

Se recomienda a los empleados y estudiantes que intenten de resolver una queja a través de la estructura administrativa de la unidad de empleo o departamento académico. La Directiva de OEI proporcionará asistencia al demandante, a la unidad de empleo y / o al departamento académico para resolver la queja. Los supervisores y otros administradores que tienen información o conocimiento de la discriminación ilegal o acoso deben tomar medidas inmediatas y apropiadas para detener tales prácticas o comportamientos y evitar que vuelvan a ocurrir. Es la responsabilidad del administrador que recibe una queja o se da cuenta de la existencia de la discriminación ilegal o acoso, de ponerse en contacto con OEI para buscar consejo con respecto a la acción apropiada.

Las quejas recibidas directamente por la oficina de OEI serán informadas a los administradores apropiados, quienes intentarán de resolver el asunto en conjunto con OEI. La confidencialidad será mantenida en cada medida posible.

Si la queja no es resuelta a través de los métodos descritos anteriormente, la Oficina de OEI puede usar lo siguiente:

Las quejas deben ser presentadas en forma escrita a OEI. La queja debe incluir (1) el nombre del demandante, (2) una explicación de la acción o conducta reclamada, y (3) la persona o departamento responsable de la acción. El demandante debe incluir la resolución buscada por el demandante. El jefe de la unidad o departamento académico que responde y los individuos responsables serán notificados de la queja.

OEI puede iniciar una investigación cuya naturaleza y alcance serán determinados por el/la Director(a) de Equidad e Inclusión caso por caso. La investigación puede incluir cualquiera o todas las siguientes, así como cualquier otra acción que el/la Director(a) de Equidad e Inclusión considere apropiada: entrevistar al reclamante, entrevistar al demandado, entrevistar a los testigos, enviar preguntas o obtener declaraciones de parte de los involucrados y/o testigos, revisar documentos, y/o la creación de un comité de investigación.

Si se considera apropiado un comité de investigación, el/la directora(a) de Equidad e Inclusión le pedirá al canciller / vicedirector / vicepresidente o al presidente correspondiente (en caso de que se presente la queja contra un canciller / vicedirector / vicepresidente) nombrar a los miembros de dicho comité. El/la directora(a) de Equidad e Inclusión puede ayudar al administrador apropiado a designar a los miembros del comité.

Si se considera apropiado un comité de investigación, el/la directora(a) de Equidad e Inclusión le pedirá al canciller / vicedirector / vicepresidente o al presidente correspondiente (en caso de que se presente la queja contra un canciller / vicedirector / vicepresidente) nombrar a los miembros de dicho comité. El Director de Equidad e Inclusión puede ayudar al administrador apropiado a designar a los miembros del comité.

El comité de investigación, o el/la directora(a) de Equidad e Inclusión, si no hay un comité de investigación, hará constataciones de hecho y determinará si existe evidencia suficiente para respaldar un cargo de discriminación. Esos hallazgos, junto con una declaración que describe la base para ellos, serán transmitidos por el/la directora(a) de Equidad e Inclusión al administrador apropiado. Una copia también estará disponible para el demandante.

El vicedirector apropiado o el canciller revisarán los hallazgos, tomarán una decisión y notificarán al reclamante por escrito. Dentro de los 15 días de la recepción de esa decisión, los reclamantes que se encuentran en puestos no exentos del personal pueden presentar una reclamación conforme a la Política y los procedimientos de personal de UTC, contenidos en el Manual de políticas y procedimientos de UTC, si no están satisfechos con la determinación.

Si el demandante no está satisfecho con la determinación y no es elegible o no ha elegido presentar una queja, el demandante puede apelar por escrito dentro de los 15 días de la recepción de la decisión al siguiente nivel administrativo superior. La decisión sobre la apelación se proporcionará por escrito al demandante. Las decisiones del canciller / vicedirector / vicepresidente pueden apelarse ante el presidente.

# Title VI

## 1. Title VI

### 1.1 Intro

### 1.2 Training Purpose

#### Training Purpose

The purpose of the Title VI training course is to ensure all University employees, contractors, sub-recipients, and service recipients are aware of their rights and responsibilities under Title VI of the Civil Rights Act of 1964. Federal and state regulations require agencies such as UT to provide Title VI training for faculty and staff to ensure effective enforcement and to develop awareness and sensitivity in carrying out federally funded programs.

## 1.3 Course Objectives

### Course Objectives

- ✓ Define Title VI of the Civil Rights Act of 1964
- ✓ Explain UT's Title VI obligations
- ✓ Present examples of discriminatory practices
- ✓ Define Limited English Proficiency
- ✓ Explain complaint procedures and prohibition on retaliation

## 1.4 Title VI

### Title VI of the Civil Rights Act of 1964

*"No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance."*  
**42 U.S.C. § 2000d**

The University of Tennessee receives Federal financial assistance and is, therefore, covered by Title VI.

## 1.5 Federal Financial Assistance

### Federal Financial Assistance

Approximately 30 federal agencies provide Federal financial assistance (FFA) in the form of funds, training, and technical assistance to state and local governments, and nonprofit and private organizations. Federally assisted programs address such broad and diverse areas as:

- Elementary, secondary, and higher education
- Health care, social services, and public welfare
- Public transportation
- Parks and recreation
- Natural resources and the environment
- Employment and job training
- Housing and community development
- Law enforcement and the administration of justice
- Agriculture and nutrition

## 1.6 Three Protected Characteristics

### Three Protected Characteristics:

- **Race** - Typically White, Black or African-American, Hispanic or Latino, Native Hawaiian or Pacific Islander, Asian, Native American or Alaska Native.
- **Color** - Human skin color or complexion.
- **National Origin** - An individual's place of birth, origin, or ancestry; includes physical, cultural, or linguistic characteristics of a group or ethnicity of people. National origin does not equal citizenship.

**Important to Know:** Title VI discrimination can include discrimination based on the race, color, or national origin of a complainant's family member or someone with whom the complainant is associated, and can also occur when the victim and perpetrator are of the same race/color/national origin.

## 1.7 Title VI at UT

### Title VI at UT

Title VI covers services by UT that are available to the public:

- Clinical services (law clinic, medical or dental clinics, veterinary clinic)
- Student services, including admissions and housing
- Public events (sports, theater, public speakers)
- Services available to the public (camps, UT Extension programs and product sales)

## 1.8 Key Definitions

### Key Definitions

**Recipient** - Primary recipients include state entities (such as UT) required or authorized to extend FFA to another recipient or sub-recipient for the purpose of carrying out a program.

**Sub-recipient:** Any entity or individual that receives FFA from a primary recipient (such as UT) to carry out a program. Sometimes assistance is distributed to an ultimate beneficiary.

**Contractor** - Any entity or individual who provides any function or service that requires the performance or delivery of assistance to beneficiaries under the terms of a contract with a state entity.

**Beneficiaries** - Individuals and/or entities that directly or indirectly receive an advantage through the operation of a Federal program.

## 1.9 Sub-recipient Requirements

### Sub-recipient Requirements

#### To comply with Title VI, sub-recipients must...

1. Appoint a Title VI Coordinator
2. Obtain Title VI training
3. Provide Title VI training for employees
4. Develop a Title VI policy statement and post it in visible areas
5. Acquire signed Title VI assurances
6. Monitor ethnicity of sub-recipients and beneficiaries
7. Include Title VI assurances in all contracts

## 1.10 Discriminatory Practices

### Discriminatory Practices

Discriminatory practices include Prohibited Acts, Problematic Behaviors, Disparate Treatment/Impact, Language Discrimination, Retaliation, and Employment Discrimination.

#### Prohibited Acts:

- Denying services, opportunities or benefits to individuals who are qualified
- Providing services in a different manner because of race, color, or national origin
- Segregating service recipients based on race, color, or national origin
- Restricting access to program services because of race, color, or national origin
- Limiting participation in any way based on race, color, or national origin

## 1.11 Problematic Behaviors

### Problematic Behaviors:

- Offensive language or jokes
- Failure to provide interpreters to non-English speakers seeking services
- Unexplained denials of services or unclear explanations
- Preferential treatment for non-minority or English-speaking beneficiaries
- Stereotypes based on race or national origin (e.g., Middle Eastern, Latin, Asian)
- Failing to respond to a claim of discrimination

### Disparate Treatment/Impact

Disparate treatment means intentional discrimination against an individual. Disparate impact means discrimination that occurs as a result of a neutral policy which appears harmless on the surface but which negatively affects a group of people.

## 1.12 Language Discrimination

### Language Discrimination

Title VI requires recipients (such as UT) to provide language assistance to ensure meaningful access to its programs and activities for Limited English Proficiency (LEP) persons who do not speak English as a primary language and are limited in the ability to read, speak, write or understand English. Failure to assist LEP individuals could constitute national origin discrimination in violation of Title VI.

The top 5 languages other than English in Tennessee are (in order): Spanish, Chinese, Arabic, Vietnamese, and Native African languages.

## 1.13 Retaliation

### Retaliation

Retaliation occurs when someone intimidates, threatens, coerces, or discriminates against an individual either in order to interfere with rights or privileges protected by Title VI, or because the person complained, testified, or participated in an investigation or proceeding under Title VI.

### Employment Discrimination

Title VI is not the primary federal statute for prohibiting employment discrimination, which is covered by Title VII. However, employment discrimination claims under Title VI are permitted against recipients if a “primary objective” of the Federal financial assistance received by recipient is to promote employment (e.g. employment assistance or vocational training grants).

## 1.14 Title VI Compliance

### Title VI Compliance Program

In 1993, Tennessee became the first state to enforce Title VI compliance for all of its departments, programs, and agencies. The Tennessee Human Rights Commission (THRC) enforces Title VI compliance for the State of Tennessee and all state agencies, including UT.

### Tennessee Code Annotated § 4-21-904

It is a discriminatory practice for any state agency receiving federal funds subject to Title VI of the Civil Rights Act of 1964, or for any person receiving such federal funds from a state agency, to exclude a person from participation in, deny benefits to a person, or to subject a person to discrimination under any program or activity receiving such funds, on the basis of race, color, or national origin.

## 1.15 Complaint Procedures

### Complaint Procedures

Individuals who wish to file a complaint of Title VI discrimination can do so within 180 days of the date of the discriminatory act. Complaints are not required to be on a particular form, but they must be in writing and signed.

Individuals may file a Title VI complaint with the Office of Equity and Diversity or Inclusion (OED/OEI) on their campus (Knoxville area, Chattanooga, Memphis, Martin, Tullahoma). Each campus/area has a Title VI Coordinator who is responsible for investigating Title VI complaints. Each campus OED/OEI office also has a web page with complaint procedures and can provide brochures in English and Spanish explaining complaint procedures. Complainants may also file a complaint with the Tennessee Human Rights Commission or the U.S. Department of Justice.

## 1.16 Tennessee Human Rights

### Tennessee Human Rights Commission

The THRC is responsible for reviewing Title VI monitoring and enforcement procedures and periodically auditing, reviewing, evaluating and reporting on Title VI compliance efforts for each state agency. Recipients (such as UT) must audit, review, evaluate and report on Title VI compliance efforts and outcomes of all its sub-recipients and beneficiaries of federal funds.

**Annual Title VI Reports are located at:**

<https://equity.tennessee.edu/title-vi/>

**Campus Equity and Diversity or Inclusion Offices are listed at:**

### Notes:

## 1.17 Translation Services

### Translation Services

Ask your campus OED/OEI office for a language card that can help you determine an LEP person's primary language.

UT may obtain language interpretation or translation services through a company called Avaza. See [www.avaza.co](http://www.avaza.co) for more information.

UT may also use its foreign language students and faculty to provide language interpretation or document translation services.
