Bid Submission Instructions

All submissions should include the following:

- Cover letter with company letter head
- Detailed cost estimate for the project
- Proof of insurance and necessary licenses
- Proposed lead times for materials and impact to schedule
- Any additional relevant information

Bid Requirements & Conditions

- All bidders must be licensed and qualified under State of Tennessee law.
- Bond Requirements:

- subcontractors must include performance and payment bond rate with their proposal
- bid bonds are not required for subcontractors
- Bids must be valid for a minimum of 90 days from submission deadline.
- Questions are to be directed only to the CM/GC contact listed below. No contact with the Owner or Architect is permitted.

Diversity & Equal Opportunity Commitment

It is the policy of The State of Tennessee to promote diversity in its construction contracts. All contractors are encouraged to include participation of small, minority, and women-owned businesses. Data on such participation must be reported per State requirements.
