**REQUEST FOR QUALIFICATIONS (RFQ)**

**DESIGNER for**  
**UTK Civics Education & Interdisciplinary**  
**Classroom Building**  
**UT Knoxville**  
**SBC No. 540/009-XX-2026**  
**June 30, 2026**

The University of Tennessee (Owner) issues this RFQ to qualified Designers interested in providing architectural, engineering, and consulting services for the complete design, contract documents, and construction administration of the Civics Education & Interdisciplinary Classroom Building project on the UT Knoxville (UTK) campus. The Owner intends to enter into an agreement with a Designer that will deliver design services enabling new construction having the highest possible quality within the available funding and the required schedule. Qualifications Statements in response to this RFQ shall be submitted in accordance with the requirements provided herein.

**Summary of Project and Required Designer Services**

Construction of a new 174,000 GSF Civics and Interdisciplinary Classroom building with demolition of existing structures on the project site, including all related work to complete the project.

As our Knoxville campus continues to grow and lead in American civics, public policy, and military science, planning efforts have been ongoing to deliver a new Civics Education & Interdisciplinary Classroom Building at our Knoxville campus. This project will provide Tennessee with an important new facility supporting the Institute for American Civics and critical classroom needs that are key to UTK's growth.

This project co-locates the Institute of American Civics with History to foster a multidisciplinary approach to civics, broadening students' understanding of governance and society. The project will house current and future faculty and staff from these departments while supporting UTK's expanding civics curriculum both for UTK students and throughout the state. The Interdisciplinary Classroom Building—renamed the Civics Education and Interdisciplinary Classroom Building (CEI)—is the next strategic priority identified in the Campus Master Plan. Strategically located adjacent to the Baker School, CEI will sit near most academic programs. Pending State Building Commission approval of this project, the work will be through the Design Development Phase (DDP) only at this time. The anticipated total project budget is \$232,000,000 (MACC \$196,370,000).

Specific project parameters and details are cited in the Civics Education & Interdisciplinary Classroom Building, Program Feasibility Report Update, University of Tennessee – Knoxville, Revised Final Document, programming document dated March 19, 2026.

The design fee budget of \$4,577,163 (through DDP) is established for these services and is based on the anticipated State approval amount for the Maximum Allowable Constructin Cost (MACC) of \$196,500,000. However, the Owner, with State Building Commission approval, at its sole discretion, may revise the MACC and corresponding designer's fee. The Multiplier as related to Articles 2.3.2 - 2.5 for the SBC-6 are subject to negotiation, and a multiplier may not apply. All travel expenses for the designer and their consultants are not reimbursable per the SBC-6a.

## UTK Civics Education & Interdisciplinary Classroom Building

All Designers must register with the Office of the State Architect to be able to enter into an agreement for this work. A Designer will be selected, approved, and retained under State Building Commission policy and standard Owner agreements and procedures as provided in the UT Designers' Manual found through the following web link.

<https://tennessee.edu/about/divisions/finance-admin/capital-projects/design-construction/designers-manual/>

Designers submitting should review Designer Agreements (SBC-6 and SBC-6a) prior to submitting. By submitting you are agreeing to all terms as outlined in these agreements.

### **Qualification Statement Submittal Format**

Qualifications Statements shall be submitted as a single digital file copy in .pdf format. The digital file should not exceed 20 MB and should be named using the following format: Designer Name UTK Civics Ed & Interdisciplinary Classroom Bldg., 2026-07-21.pdf. All proposals must be uploaded to the TN Office of the State Architect's **OSA Connect** site. Proposers who intend to submit a qualification should notify the RFQ Coordinator no later than the time specified in the Schedule of Events. The subject line of the email should be clearly marked as follows:

**Qualifications Statement for UTK Civics Education & Interdisciplinary Classroom Building SBC No. 540/009-XX-2026**

In the body of the email please include the following:

Submitted By: <<Designer Name>>

Contact: <<Contact Person Name, Address, Telephone Number, email address>>

The Qualifications Statement shall be formatted to standard 8 1/2" x 11" (landscape or portrait). It shall not exceed 50 pages including pages with photos (used as dividers or section headers or otherwise), charts, spreadsheets, and appendices. Binding covers, a one-page transmittal letter, and table of content pages may be provided in addition to the maximum of 50 pages. Pages or sheets with print on both sides will be counted as two pages. All pages must be numbered. Hyperlinks and QR Codes should not be included in any proposal. All pertinent information should be clearly and concisely documented within 50 pages allowed. Follow the information structure provided herein with clear identification of each information section.

### **Request for RFQ Communications**

The Owner will convey all official communications and addenda pursuant to this RFQ to the interested parties from whom the RFQ Coordinator has received a Request for RFQ Communications in writing by email, with the request clearly indicating the organization name and the name and title of a contact person with their telephone number and email address.

The Request for RFQ Communications shall be made no later than the date of the Project Review Conference detailed herein. Such request creates no obligation and is not a prerequisite for submitting a Qualifications Statement.

### **RFQ Communications Process**

Interested parties must direct all communications regarding this RFQ to the following RFQ Coordinator, who is the Owner's official point of contact for this RFQ.

Rebecca Douglas, RFQ Coordinator  
University of Tennessee System  
Attn Department of Capital Projects  
505 Summer Place – UTT 9<sup>th</sup> Floor

Email: [designer@tennessee.edu](mailto:designer@tennessee.edu)

Only the Owner's official written responses and communications shall be considered binding with regard to this RFQ.

## UTK Civics Education & Interdisciplinary Classroom Building

Each Proposer shall assume the risk of the method of dispatching any communication to the Owner. The Owner assumes no responsibility for delays or delivery failures resulting from the method of dispatch. "Postmarking" of a communication shall not substitute for actual receipt of a communication by the Owner.

The Owner may interview up to five selected Designers that have submitted responsive Qualifications Statements.

### **Additional Information**

- **Procurement Method:** The owner intends to use the Construction Manager / General Contractor (CM/GC) for the construction delivery method in accordance with State policy and procedures. All delivery methods will be in accordance with State policy and procedures. This procurement process is described at the following link: [https://www.tn.gov/content/dam/tn/statearchitect/policy-&-procedures/OSA%20Policy\\_DeliveryMethods\\_4.9.2020.pdf](https://www.tn.gov/content/dam/tn/statearchitect/policy-&-procedures/OSA%20Policy_DeliveryMethods_4.9.2020.pdf)
- **Programming Team:** The Programming Consultant for the project, Lord Aeck Sargent, has waived rights to be awarded a contract for design and preparation of contract documents for the project but may be a part of the team to design and prepare contract documents for the project as a consultant to another firm. A consultant to Lord Aeck Sargent, in their work as Programming Consultant may be awarded the contract for the design and preparation of contract documents for the project or may serve on the team as a consultant to another firm who is awarded the design and contract document preparation contract.
- **Project Schedule:** The University desires to have this project ready by the Fall Semester of 2029. They also anticipate possible multiple bid packages derived from a Construction Manager / General Contractor.
- **Program Project Budget:** Total Project Budget numbers as shown in the Program Document were provided to the Owner for budgetary review only. Disclosed SBC Budget is listed in the RFQ under Summary of Project and Required Designer Services.
- **UTK Project Specific Guidelines:** Work should comply with all UTK campus standards and all applicable codes. Reference UTFS Design and Construction Guidelines at: <https://fs.utk.edu/>. Branding and theming, security systems, IT (other than wireless access points and some networking equipment) and AV are all included in the building construction and require design.
- **Additional Consultants:** Specific consultants will be considered as an additional service outside of normal Basic Services for this project. The consultant's expertise should complement the awarded design firm's capabilities. The consultants should provide specific needs associated with audio visual, furniture, fixtures, and equipment, geotechnical investigation, and construction testing along with any other anticipated special consultants foreseen as specific to this project. Proposers should pay particular attention to scopes included within the bid target as broken down in the Programming Budget.

It is anticipated that these consultants may be involved during all phases of the project, as the technical input they provide can be critical to stakeholder engagement during program verification and early concept design through contract administration. It is

## UTK Civics Education & Interdisciplinary Classroom Building

expected that the Design Team providing Basic Services will have higher education expertise and that the specialty consultants will complement that expertise.

## **Qualifications Statement Required Information and Scoring**

### **Designer Forms of Business**

Any form of business arrangement with consultants or joint venture partners may be proposed. However, the Owner requires that a single Designer contract with the Owner and serve as the primary contact, project leader, administrative manager, and single source of responsibility, with any necessary business partners and consultants serving under that Designer's management. The Owner also prefers that this Designer have its principal place of business located in the State of Tennessee.

A Qualifications Statement that is submitted by a Designer with supporting partners or as a joint venture will be evaluated on the combined experiences of the individual member firms as performed through the previous joint venture agreement.

#### **A. Designer Information** (Pass/Fail scoring)

A.1 Provide the Designer's name, address, website address, and number of years in business.

A.2 Provide the name, e-mail address, mailing address and telephone number of the primary contact for the Designer (one only).

A.3 Provide a signed statement certifying that the firm and its consultants identified in C.2 will fulfill the requirements of the basic services for the completion of this project. This statement must be signed by a principal of the submitting firm.

A.4 Provide a statement of whether the Designer, its consultants or any individual who shall perform work under this contract has a possible conflict of interest (e.g., employment by the State of Tennessee) and, if so, the nature of that conflict.

A.5 Provide a list of current projects on which your firm is committed, the status and what services are being provided.

#### **B. Qualifications and Experience** (Maximum Score: 70 Points)

B.1 Describe the Designer's qualifications to deliver the services needed for this project in regard to the following. (Maximum of 10 points)

- The form of business and the general credentials of the Designer.
- The proposed personnel experience in working together on projects. Identify up to five example projects which required the collaborative effort of the Designer and consultant's personnel, and their specific role in the projects.
- The firm's sustainable design capabilities including experience with State of Tennessee Sustainable Design Guidelines or The Tennessee High Performance Building Requirements, sustainable design credentials of personnel, and example sustainable design projects.

B.2 Provide the following information on up to five of the Designer's or consultant's projects (**proposing firm should have at least 3 projects listed**) that have been completed within the last ten years and are of similar type, scope, and complexity. All projects cited should directly compare to this project in use and general components. (Maximum of 25 points)

## UTK Civics Education & Interdisciplinary Classroom Building

- Extent of services provided for each project.
- A reference (by an Owner representative) for each project including contact name, address, telephone number, email address. The Owner may contact references as well as any other source available.
- Photographs for each project.
- Design and construction schedules
- Construction Procurement Method
  - If Construction Manager / General Contractor provide methodology used for early release bidding packages and any phasing of project that enabled the owner to move-in earlier than anticipated
- Construction Cost and effected square footages
- Key project components to identify:
  - Classrooms and Offices
  - Informal learning / Collaboration spaces
  - General Use (Lounges, meeting rooms, etc.)
- Example construction documents of each project may be requested if your firm is shortlisted.

B.3 Provide the resumes of key Designer and consultant personnel who shall be assigned to this project and describe their proposed role and time commitment to this project. Provide each individual's current position, years with the firm, education, licensing, professional credentials, similar project experience, and design phase of other assigned projects currently underway. (Maximum of 20 points)

B.4 Provide a matrix showing the relationship between the projects (B.2) and the Designer's and consultant's personnel (B.3). Show projects in columns and personnel in rows. (Maximum of 10 points)

B.5 Provide the Designer and consultant office location(s) that will be supporting this project with the distance in miles to the project site. If the Designer and consultants have multiple locations serving this project describe how personnel from each location are involved. (Maximum of 5 points)

### **C. Technical Services** (Maximum Score: 30 Points)

C.1 Describe how the Designer will approach and document various aspects of the project: program confirmation, planning, design, architectural and engineering, contract documents, specifications, graphics, accessibility, data/AV services, building envelope, interiors, cost estimating, value engineering, sustainability, construction administration, etc. Describe how the Designer will adapt its approach to meet the requirements of the project. Include details on how this team works with a CM/GC to enable the desired delivery of the project. (Maximum of 15 points)

C.2 Provide an organizational chart for this project illustrating lines of authority and specific staff proposed. The chart and related explanations shall describe the responsibilities of the personnel (Designer and consultants) and the lines of communication. (Maximum of 10 points)

- Clarity of responsibility and communication
- Completeness and inclusion of key personnel and design phase which they will be involved.

UTK Civics Education & Interdisciplinary Classroom Building

- List all personnel and roles as described in B.3.

C.3 Provide a preliminary schedule for this project identifying the time appropriate for each phase/task for design and construction. Designers shall demonstrate their approach to meeting the schedule. Provide examples of experience in enabling Owners to meet aggressive project completion schedules. (Maximum of 5 points)

- Describe in detail how the schedule will be met.
- Proposed number of early release packages and possible dates of release
- Show examples of experience.

**D. Specialty Consultants** (Information Only)

D.1. Provide listing of anticipated Specialty Consultants. For each consulting firm include:

- Firm's credentials
- Expertise / Discipline
- Experience in work required in the past 5 years (up to 3 projects)
- Personnel assigned to their project along with resume

**Total Maximum Score: 100 points**
